Introducing the All-New AV7950H Series

HDMI / USB Harness

The HDMI harness allows for custom mounting. The added USB port is for charging only and supports 5V.

Flexible HDMI Installation

Can be installed in the front dash, center or rear consoles and can replace most 12V power ports.

Streaming Media

Stream live programming into the vehicle and watch crisp 480i video on the systems HD 7" displays via WiFi connection, your smartphone and your favorite media stick. A USB port is included as a power source or for charging smartphones.

Share your media with everyone in the vehicle! Apple Lightning™ or adaptors for Android™ are required (not included).
